1. Introduction

By participating in a Lydd International Kart Club (LIKC) organised event in any capacity you agree to follow this Respect Code:

LIKC has a strict policy on behaviour in the paddock and on track making it a fun, friendly welcoming and positive environment. Anyone who does not meet these standards or causes disruption may have their membership revoked and banned from attending any races, membership/race fees will not be refunded.

2. The Values of Race and Respect.

All persons including competitors, officials, competitors, mechanics, parents, family members, friends and supporters taking part in any LIKC organised event shall consider the following whilst attending that event and will agree to be bound by them by them.

They will be expected to ***Race with Respect*** and:

- (i) Contribute to a welcoming and friendly environment that ensures the safety and welfare of all participants.
- (ii) Always behave with integrity and uphold fairness in the sport; play your part in keeping the sport safe through your actions.
- (iii) Treat everyone with respect, regardless of their gender, ethnic or social background, language, religious or other beliefs, disability, sexual identity or other status.
- (iv) Recognise that we all represent the sport and therefore have a duty to be polite and respectful to all staff, officials, fellow competitors, volunteers, as well as fans and supporters.
- (v) Respect the rules, regulations and authority of the officials of the meeting and Lydd Kart Circuit.

3. Use of Social Media

Lydd International Kart Club (LIKC) encourages the use of social media to promote drivers and their achievements. However, the circuit takes a very serious view on those who wish to use any social media platform to dishearten, tarnish, bully or discriminate against other users, whether they are other racers, mechanics, family/friends, officials, or championship organisers. Those who take it upon themselves to do so will be investigated by the Club and its Safeguarding Officer who will decide upon the decision of penalty and/or if outside authorities need to be contacted. The offender will be given only once chance to remove the post/imaging/video material from their page before any investigation will commence.

Remember, you will only cause disruption to your own racer. So, THINK before acting.
